MTC Residential Rates & Calling Plans

Unlimited Calling

MTC offers two categories of **Unlimited Calling** Plans for residential customers. Our Nationwide Plans includes calls within the Continental United States, while our Area Wide Plans include calls within the extended area, or **LATA**, which includes Tuscaloosa and Birmingham. These plans apply to voice calls only. Internet and data calls to exchanges other than 205-371 will be charged at \$0.07/min.

The Basic Plan under each category includes all of you calls. The Plus plan includes over \$40 in savings on 15 calling features* including Caller ID Deluxe and Call Waiting Deluxe. Additional savings are received by adding Dial-Up or high speed DSL Internet access. Call or come by today and sign up.
